N. D. TIMMERMAN WILL BE SPEAKER AT ANNUAL ENCAMPMENT

The Milam County Baptist Encampment will hold its fourth session at Wayside Tourist Camp at the Little River bridge beginning Sunday night July 26 and running to Friday night, July 31.

Every indication points to a larger and better Encampment this year than any former year. More people are expected from over this county and delegations from several other counties are to be with us for the week. It is expected that at least 200 campers will be on the grounds and hundreds will attend the classes offered in the morning hours.

The speakers for the Encampment will be Rev. L. E. Strickland for the morning and Rev. N. D. Timmerman in the evening. Both these are pastors in the county and large crowds are expected for both services.

Mr. T. C. Gardner who is known as "Big Chief" will be with the First Church, Cameron in the morning of July 26 and speak and also speak at the Encampment that night. He is the best B. Y. P. U. secretary in the world and probably has more friends among both young and old than any man in his capacity.

The program for the day will be about as in former years. There will be class periods from about 8:15 a. m. to 11:00 a. m., then the morning worship service led by Rev. Strickland. In the afternoons there will be possibly swimming, games, quiet hours and the evening service at 7:45 at which time Rev. Timmerman will bring the message. Spectacular Fire Works Display Is Scheduled For 4th

Saturday night at 8:30 o'clock the people of Cameron and Milam County will have the opportunity to see and hear the largest fireworks display that has ever been seen in Texas. It is the hope of the American Legion to make this feature of the Fourth of July celebration an annual affair. People do not have the opportunity of seeing such a display as this and it is hoped that we have a mammoth crowd on hand to enjoy this event.

CHAPLIN IN "CITY LIGHTS" AT MILAM THEATRE JULY 2, 3 & 4

Acclaimed his greatest contribution to the screen, Charlie Chaplin's "City Lights" will open an engagement at the Milam Theatre, Thursday, Friday and Saturday, bringing to this city a non-dialogue motion picture production, which it is believed, will be the forerunner of many more screen offerings introducing action, synchronized with music and sound effects.

More than two years in time have been devoted by Chaplin to the making of "City Lights" and it represents an investment of $1,500,000 of the comedian's own money. All of this is Chaplin's answer to the talking picture and his firm stand for pantomimic motion pictures.

Those who have been privileged to view "City Lights" have unhesitatingly agreed that Chaplin was not in error to stick to the silent course in his screen work. It is said that never before has the great comedian extended himself to produce such a comedy masterpiece.

"City Lights" will occupy the screen for about one hour and twenty minutes. The story may be termed a romantic comedy, although many of its highlights are brilliantly dramatic, in fact tragic. It is an original idea and was written by Chaplin. He is likewise responsible for the direction.

The action takes place in any large city. There is nothing elaborate about the story and it is its simplicity that will undoubtedly gain for it a permanent place in the theatre. The characters are natural, such as rub elbows with each other throughout the daily walks of life.

There are only three players vital to the story. There is not the eternal triangle and that which happens has to do with a tramp, a flower girl who is blind, and a millionaire, who

has his eccentricities. Incidental to these there are three others. The girl's grandmother, the millionaire's butler and a prizefighter. While the others make up the city, just like any city with its milling throngs.

A nw face comes to the screen in "City Lights." Virginia Cherrill, as the girl. This is Miss Cherrill's ini-

MISS MARGARET McDERMOTT BRIDE OF R. E. BIGGS IN BEAUTIFUL CHURCH WEDDING, MONDAY, JUNE 29TH

The marriage of Miss Margaret McDermott, daughter of Mr. and Mrs. Giles McDermott, to R. E. Biggs, on Monday morning, June 29 at ten o'clock at the First Presbyterian church with Rev. O. C. Acrey, pastor, reading the beautiful ring ceremony, was an event that claimed the attention of a large circle of friends of the contracting party.

The church was in pretty floral adornment. The altar space was banked with ferns in jardiniers and two tall pedestal baskets, handles tulle tied in pink, held long stemmed pink and white carnations and fern fronds stood at either side. Pews for relatives and close friends were marked with pink bows of maline with Shasta daisies.

Mrs. Henry Sapp, dressed in pink skirt with eggshell blouse, large picture hat in blue, with pink rose corsage, presided at the organ and played the prelude, Andantino in D Flat, by Lemare. Mrs. Thad Epperson, attractively gowned in a white sport suit, white panama hat, pink rose corsage, sang 'The Sweetest Story Ever Told."

Lohengren's Wedding March was used for the processional and announced the bridal party. Miss Bennie Jackson, bridesmaid, dressed in pink flat crepe with large picture hat, pink slippers, carrying an arm bouquet of pink carnations came in with James Easterling, and took their places at either side of the altar. Next came the Maid of Honor, Miss Elizabeth McDermott, sister of the bride, beautifully dressed in a pretty shade of gray, wearing a large picture hat of pink, pink gloves and slippers, carried an arm bouquet of pink carnations, came in alone.

The bride came in on the arm of her father who gave her in marriage, was stylishly gownd in a delicate tone of blue Elizabeth crepe with natural shade of laces, wore a large picture hat in pink with pink slippers, crystal and pink beads, carried an arm bouquet of pink roses, ferns and showered with tiny rose buds and ribbon loops. They were met at the altar by the bridegroom and best man, Morgan Biggs who came in from the side of the altar, while the pastor came in from opposite side, and spoke the words that bound two hearts as one.

During the ceremony Mrs. Sapp played, soft and low, Schubert's "Serenade." The happy couple left the church to the strains of Mendelssohn's Wedding March and repared to the home of the bride's parents where she exchanged her wedding dress for a navy blue crepe dress, and wore a close fitting hat of navy, carried white gloves and white purse.

Mr. and Mrs. Biggs left immediately for a short trip to San Antonio and other interesting points, and will be at home at Liberty, Texas, after the fourth of July. The groom and his attendants wore white palm beach suits.

The bride was reared in and near Cameron; graduated from Cameron high school in 1922, entering San Marcos that fall where she received her B. S. Degree, and later attended school at Columbia University, and while there visited Washington, D. C., Philadelphia, Niagara Falls and many other cities of the East. The past four years she has taught school at Liberty, Texas.

The groom is a graduate of Baylor University, and also received his law degree from Baylor Univrsity and is now Judge of Liberty County. Is of an old established family.

Out of town guests present at the wedding were Mrs. Ben Jackson and daughter, Miss Bennie Jackson of San Marcos, who had been a roommate of the bride during the four years spent at San Marcos; Mrs. W. E. Phillips, McDade; Mr. and Mrs. Morgan Biggs, Wallaceville, Texas; Jas. Easterling, San Antonio; Mrs. G. B. Jerdon, Jim Frank Richardson, Mr. and Mrs. John Brady, Mrs. P. C. Mathews, Mr. and Mrs. R. G. Portlaw and family, all of Liberty.

FIREMEN TAKE TEN INNING GAME HERE

RECORD CROWD FOR SEASON SEES BELLFALLS DEFEATED HERE SUNDAY

On Sunday afternoon at the Lawless Green Field the Cameron Firemen defeated the strong aggregation from Belfalls four to three in the tenth inning before the largest crowd of the season. Both grand stands were packed and every available space was taken up.

Belfalls started "Rabbit" Darrow, erstwhile Texas league pitcher but he was replaced in the tenth by Ingram who pitched to only two Firemen when an error cost the visitors the game.

Belfalls scored the first run of the game in the second inning. The Firemen came back in their half of the third inning to score two runs on two hits and an error. Belfalls then scored two runs on three hits and an error in the fifth. The Firemen tied the score in their fifth time at bat and from there until the tenth no further scoring was made by either team. Pete Leach was pitted against Darrow in the box. Each pitcher allowed nine hits. Three two-baggers were made by each team and the Firmen also got two three-baggers. The visitors were unable to get a man across the plate after the fifth inning. When Ingram relieved Darrow in the tenth Keith was the first man up. Keith singled. Pepper Young was hit by a pitched ball. On the second ball pitched to McDonald Keith and Young put on a double steal. Catcher Farrow threw to third attempting to cut keith off. The ball struck the ground before reaching third and bounded into left field and Keith romped home with the winning run.

This is the second game won by the Firemen in the last half of the Temple cup race.

Firemen Win From Ben Arnold Nine

At Ben Arnold Saturday afternoon the Cameron Firemen won the opening game against the Ben Arnold team 7 to 0. The Firemen made only one more hit than Ben Arnold but their hits were turned into runs at opportune times.

Only one error was chalked up against the Firemen in this game and this lone error being chalked against Sumrall on a wild pitch in the seventh allowing M. Vogelsang to take an extra base. Sumrall pitched one of the best games seen this year in defeating Ben Arnold on Saturday. He struck out six and walked none during the nine innings he was on the hill. Garrett struck out five Firemen and walked one. Errors on the part of his team mates aided the Firemen in their scoring.

....JUST ONCE OR TWICE In A Lifetime

Just once or twice in a lifetime the average family builds a home . . . the house is usually built when it is needed regardless of building conditions and prices.

Just once or twice in a lifetime building prices hit the bottom . . . if the average family would build their home when prices are low millions of American dollars would be saved.

THAT SITUATION EXISTS THIS YEAR . . . building costs are the lowest in *fifteen years* . . . more than $1000 can be saved on a $6000 home by building this year.

Wise investors are going to make this year pay a hansome profit in building investments . . . let us tell you how.

Charlie Chaplin

(continued from page 1)

tial bow in motion pictures and advance reports indicate that she is due to win favor. She entered the film world from a social life and despite the difficult portravel entrusted to her, it is believed she has acquitted herself with much credit. The young woman is a natural blonde with blue eyes.

Harry Myers, who by no means is new to the screen, plays the part of the eccentric millionaire. For many years Myers has been a leading player and star in his own right and as the chief foil to Chaplin he is declared to be at his best. Picture followers will remember Myers for his excellent work in "The Connecticut Yankee."

Florence Lee, as the grandmother; Allan Garcia in the role of the butler and Hank Mann portraying the prize fighter make up the balance of the cast. Garcia is well known to Chaplin followers for it was he who was the "cruel" ringmaster in "The Circus.',

Chaplin plays the tramp. He has slightly altered his characterization in "City Lights" although he is attired in his world famous baggy trousers, abbreviated tail coat and battered derby and a foundation of the gunboat shoes.

Ten thousand or more women, men and children make up the background of the city. The city in which the story unfolds was entirely built within the enclosures of the massive Chaplin plant in Hollywood. Every available foot of ground was utilized and hundreds of technicians of all the crafts employed for the purpose of realism.

One of the most important items of the production was the building of a river, with its embankment and the city in the distance. The body of water covered an area of five acres and was completed at a cost of $15,000. This is small in comparison, however, when it is stated that the construction of two streets in a down town business section called for an expenditure of close to $100,000.

With the presentation of "City Lights" Chaplin makes his debut as a musician. The entire musical synchronization of the production, with only few exceptions, is from music composed by the comedian. Many months were devoted to this phase by the producer, who is, although not generally known, an accomplished pianist, organist, violinist, cellist and harpist.

Due to the care with which the music was arranged for "City Lights" despite the fact that there is not once the use of a human voice, instrumen- deception. In the arrangement of the tal effects are used with considerable musical accompaniment Arthur Johnson, of the Irving Berlin Company, was associated with Chaplin.

During the making of "City Lights" 800,'000 feet of film passed through three cameras. The finished production is a little more than one per cent, as it is distributed by the United Artists Corporation.

MY LIFE

(Ollie Ezzell)
Buckholts, Texas

1

My life has been a lot of sorrow and pain
I have sought for happiness but t'was all in vain,
No one knows the many unhappy hours I've spent by myself,
I have been like a lonely plaything on a shelf.

2

I am never happy and gay,
But perhaps I was not meant to be that way.
I have often wondered why things were as they are for me,
For my life has been like a ship, wrecked out in a stormy sea.

3

My skys are always cloudy,
The sun never shines
Stars never twinkle howdy,
Nor the bell never chimes.

4

But my life will not always be this way,
For some day my journey shall end,
And then as I stand and look back over the rough road I have trod,
I will be very happy then, to spend the rest of my days with God.

IN MEMORIUM

Dear readers I wonder as you read these words in memory of my dearest friend if there is one of you, who hath known such friendship as was ours and now that she has gone on, I feel that in telling to others incidents related here, am merely trying to pass on the information of just what such a friendship means to us all. And I wonder if among the great host of friends she had if there is another who knew her as I did. True and faithful to the last, always thinking of others and showering that greatest of gifts, love, sympathy and understanding to each and every one she knew. (See John 13: 34-35.)

Speaking a kind word and shedding a ray of sunshine wherever she went. Although I feel that something hath gone out of my life that can never be replaced. I thank God, our blessed redeemer for having known such a sweet and wonderful character and the memory of such a Christian love and friendship shall always be held as one of the most sacred in my life. While so many knew her sweet disposition I wonder how many know what a true Christian she really was at heart. I will never hear the gospel preached that I won't think of her and many hours we spent together discussing the words of our Lord and Savior Jesus Christ. We sought no greater pleasure and how time would fly in those hours. I remember a little incident she told me of, two or three years ago, during the Baptist Encampment there in Cameron. Dr. Head, I believe was speaking that night. He spoke of a lifelong friend and the many happy hours they spent together even after a hard and strenuous day they would sit until the far hour of night and the pleasure they derived discussing their daily problems and sharing of their joys and difficulties. Rejoicing over the holy word of God and she said "Pearl, I thought of you and wondered just how many in that congregation that night understood so well as I just what he meant. She said how happy it made me feel to know I had just such a friend here on earth, one in whom I had such faith and confidence.

Who next to our Lord and Savior whom I believe we should take everything to in prayer. I tell you the things nearest my heart for I know you understand. Her remarkable faith in prayer was a wonderful inspiration. At times when my own heart was laden with sorrow she would bid me not to forget to pray and she would say I shall continue to pray for you. I know she was a Christian at heart many years before she joined with the Baptist church. She would often say, "Pearl I meet so many good Christians of the different congregations I can hardly make up my mind which one I had rather be a member of." Unlike othres who look for the bad in everything she always found the good and though she has gone on, she will continue to live in the memory of friends and loved ones. When the Lord sees fit to call us we know she will be waiting with that sweet smile of welcome she always had in this life and may the great circle be unbroken over there.

Oh why should we grieve when those we love
Have merely gone on to that home above,
When surely we know there with the blest
They have found eternal rest.

And twill only be a little time
We shall share that joy sublime,
Weep not the Lord commands
Although we may not understand.

Yes He went on to prepare a place
That we might reach by redeeming grace,
So why should we weep or sigh
We can see her by and by.

When our work on earth is done
And life's battle we have won,
Gathered on that beautiful shore
We shall meet to part no more.

Dedicated to the memory of Leona Cotheran. Story by Viola Pearl Adams.

Bryan Sokols Nose Out Knights of Columbus 6 to 5

In a game at Bryan the Knights jumped on Nemec, the Bryan starting pitcher for three runs before he was relieved by Boriski, who did well. Schigut of the Knights pitched a wonderful game and also got three hits. It was a heart breaker for Schigut to lose, for the Knights outplayed and outhit the Bryan team through the whole game except for one bad inning the Knights let errors get the best of them. Lud Matula, Schattle and Parma played outstanding games in the field for the Knights.

The game was attended by a large crowd and it was a very interesting game especially for Bryan to watch their boys put up such a fight to come from behind and win the game.

Western Union To Sell American Express Money Orders Here

To meet the demand of Cameron residents for a money order to be mailed or sent by methods other than the telegraph, local Western Union Offices will begin sale Wednesday of Amrican Express Money Orders, it was announced today by Miss Margaret Walden, local relief manager of the Telegraph Company.

Western Union main and branch offices in all parts of the United States will inaugurate the service at the same time. Offics of the American Express Company will act as branches of Western Union in the sale of telegrams, cablegrams and telegraphic money orders.

By agreement with the American Express Company, 500 Western Union offices in and near New York City, Boston and Philadelphia began a trial of the sale of American Express Money Orders last December 15. Immediate success of this trial indicated a general demand for an economical money order which can be obtained at conveniently located offices, and accordingly, the general extension of the plan was arranged.

This service will in no way conflict with the Western Union telegraphic money and gift order servic which annually transfers $275,000,000 in small amounts, and comprises about 93 per cent of the nations telegraphic money orders.

SUNNY SIDE

The Firemen have gotten off to a perfect start in the second half of the Tmple Telegram race having defeated Ben Arnold Saturday seven to nothing; then defeating BelFalls four to three on Sunday. These two teams are about the toughest we are called on to play.

George Sumrall pitched an excellent game at Ben Arnold when he shut them out. Poor base running and errors contributed largely to the Ben Arnold defeat however.

On Sunday Pete Leach was on the mound for the Firemen against BelFals and his work was of the highest order. He struck out five opponents and walked none.

Both teams obtained nine hits on Sunday. Eight of the Firemen hits were made off of Darrow and one off of Ingram. This hit by Keith proved to be the winning run of the game when Keith and Young pulled a double steal and catcher Farrow threw the ball past the third baseman the ball rolling into left field and Keith scored.

The schedule for the Firemen is as follows:

Saturday, July 4, Joe Lee at Cameron.

Sunday, July 5, Ben Arnold at Cameron.

Saturday, July 11, Cameron at Temple vs. Cowboys.

Sunday, July 12, Cameron at BelFals.

Saturday, July 18, Cameron at Joe Lee.

Sunday, July 19, Temple Cowboys at Cameron.

After these have been played the winner will play the winner of the Western section for the Temple Telegram championship.

Several changes had to be made in the Firemen schedule as we had booked games with Rogers and Hilltop Bakry teams before the Temple Telegram schedule was made. Those having scheduled games with the Firemen insisted on their schedules being carried out and this compelled the Firemen to change their schedule accordingly.

In Sundays game the Belfals infield pulled three double plays on the Firemen. During the game the visitors obtained three two base hits while the Firemen got three two base hits and two three baggers.

Keith put over three of the four scores made by the Firemen and obtained four hits in five times up.

Ingram was credited with the defeat Sunday as Darrow left the game on even terms.

Of the nine hits made by the Firemen Sunday Keith got four, McDonald and Jenness two each and Pepper Young one.

METHODIST CHURCH

Next Sunday at 11 o'clock we shall have a sacramental service at the Methodist church; a short sermon on "Jesus the Wonderful" will be followed by the administration of the Lord's Supper. We are expecting the male quartette of our church to sing a song that to our way of thinking is one of the best they can sing. No evening service because of the special services at the Baptist church to which service next Sunday evening I am inviting all my members and friends who would ordinarily attend the Methodist church. I have heard Brother Timmerman during the past week and wish to commend his earnestness and clearness. I sincerely believe that all who will go to hear him will be profited. Our Sunday school begins at 9:45 a. m. and the young people's meeting at 7 p. m.

Hollywood Girls Tie Firemen In Game Here Sunday

After the scheduled game with Belfalls was played Sunday afternoon the Cameron Firemen played the Hollywood Girls a seven inning game which wound up in a tie each team having scored eight runs.

The largest crowd of the season was on hand to see the girls perform and they did their part well. Of course no one expected the girls to win their game and it was a more or less of a farce from first to last.

Mesdames Roger Neblett, William A. Gilbert, Ella Hooks and Miss Ruth Kemp visited in Houston the first of the week.

Dr. James A. Ferguson visited in Houston Sunday and Monday, attending to business interests.

Have You Been Waiting For LOWER Prices?

If you have, you are ready now because the lower prices are here.

If you've been neglecting to make needed repairs or have put off your building program, whether a home or a business structure, because you have felt the expense too great—now is your chance to get the finest materials and labor at new LOW PRICES.

The Home you build now can be an investment that will bring big returns in the future. Never before have prices been so low for such high quality materials. And everything you buy here is sold with our guarantee. Dependable, Durable and Authorized by Building Experts.

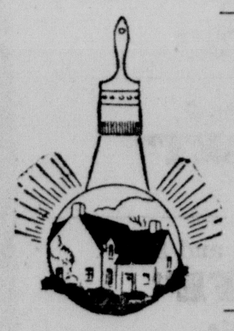

Low Prices Will Benefit Prospective Builders

The low prices now prevalent in the building industry have reached a definite position of stability, from which authorities do not expect any wavering within the present year. As a result, exceptional opportunities are presented to those desirous of building homes or office structures.

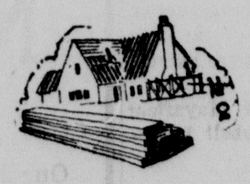

To cite the conditions favorable to building, it has been recorded that building costs are more than 4 per cent lower than they were a year ago, and 27 per cent lower than the highest point reached in 1920. This is directly attributed to the fact that all building materials, such as lumber, millwork, plaster, steel and lath have been subjected to large price cuts.

Unemployment, too, has had its effect upon business in general, and the fact that independent laborers are willing to work for proportionately small wages, has resulted in another decrease in building costs.

Despite the fact that these low prices are expected to continue during 1931, there will, in time, be an upward trend. It therefore seems wise, from an investment point of view, for anyone interested in construction to take advantage of the present situation, buying the finest supplies, and securing expert labor, at the lowest prices within the decade.

MISS CAROL EASLEY BECOMES BRIDE OF ROBERT STEDMAN IN WEDDING AT ROSEBUD, TUESDAY, JUNE 30

A wedding of much interest to many friends in Cameron was solemnized Tuesday evening, June 30 at 8 o'clock at the First Methodist church, Rosebud, when Robert Stedman claimed Miss Carol Easley as his bride, Rev. J. L. Weatherby, pastor, reading the impressive ring ceremony.

The church was in beautiful floral adornment for the occasion. Handsome fern banked the altar and smilax twined the front railing with Shasta daisies intermingling with the foliage. Tall pedestal and floor baskets stood at altar front, filled with the chosen flowers. A seven branch candilabra stood at the back, and smaller tapers gleamed among the decorations. The piano top was laid with pink crepe myrtle with burning candles at either end.

Miss Louise Buggins presided at the piano and Mrs. Vernon Nicholson sang "At Dawning" by Cadman. Lohengren's Wedding March pealed forth as the wedding attendants came in. Miss Mary Easley, sister of the bride as Maid of Honor was beautifully dressed in orchid organdie with green sash; carried an arm bouquet of pink rosebuds, took her place at side of altar. The ushers, Messrs Leland Stedman, Clifford Barmore of Cameron and Sam Wagick and Gilbert Easley of Rosbud, formed a group at the altar.

Next came the beautiful bride, who was given in marriage by her father, was attractively gowned in cream lace with wide blue ribbon sash, and carried a shower bouquet of pink rose buds, and was met at the altar by the bridegroom and best man, Clarence Posey, where the happy couple plighted their vows, kneeling on a white altar cushion to receive the blessings of the minister. They left the church to the strains of Mendelssohn's Wedding March and repared to the home of the bride's parents where the immediate party was tendered a reception.

The bride is the daughter of Mr. and Mrs. Easley of Rosebud, is popular with a large circle of friends.

The groom is the son of Mrs. R. W. Stedman of Cameron, was reared here and is a young man of fine business ability, and is a member of the firm of Avera & Stedman Drug Store. After a short wedding trip they will be at home to their many friends in the Kirby Boles apartment in North Cameron.

Among those to attend from Cameron were Mrs. R. W. Stedman, Dr. and Mrs. Arthur Kruse, Mike Coleman and Miss LaVerne Bowmer, Mr. and Mrs. Joe Denson, Mrs. H. H. Stedman, Misses Minnie Stedman, Leila Woolley, Clifford Barmore and Katherine Mohler, R. Y. Stedman, Mrs. Posey and Clarence Posey.

CANTATA

The Cantata given by the Junior Department of the Community Vacation Bible School at the closing of the school, was repeated, by request, at an early twilight hour Sunday at the First Methodist church.

Children from the Junior Department of the Bible school, some thirty in number, were presented in a beautiful manner, all taking part were in suitable costume. Mrs. John Olson was superintendent; Mrs. B. P. Hurdle, voice director; Mrs. Henry Sapp, pianist. Vivian Whites and Loraine Pope gave a duet; Sam Tyson, Neil Rylander and Jack Walzel were the Three Wise Men; Frances Terry took the Mother part; Virginia Weems gave a solo. All taking part did so in a highly pleasing manner.

MATRONS CLUB

The young matrons club of the First Christian church met with Mrs. Ray Burke last Thursday. The program was led by Mrs. Harris, assisted by Mrs. Garner, Mrs. Martin Kilian and Mrs. Joel B. Hardigree. Fruit punch was served at the close of the program.

LAWN PARTY

Adele Slama entertained some of her friends with a lawn party at the home of her parents, Mr. and Mrs. L. F. Slama, Tuesday afternoon, naming as honoree, her guest, Elvira Schiller of Buckholts. A delightful series of games were played on the lawn with Misses Anna and Milady Slama directing the play.

Refreshments consisting of oatmeal cookies, ice cream and poly pop were served the following guests: Virginia Lindle, Mildred Parma, Dorothy Kubecka, Mildred Michalka, Maybelle Hosch, Jolene Lindle, Josephine Newton, Elizabeth Fannin, Mary Jewel Fannin, Maurine Hollas, Virginia Weems, Adele Slama and Elvira Schiller.

FORTY TWO PARTY

Miss Winona Slaughter was hostess to three tables of forty two players at the home of her parents, Mr. and Mrs. J. L. Slaughter, Thursday afternoon from four to seven o'clock, tables being placed on the lawn.

At the close of the games the hostess, assisted by Miss Normagene McElwrath, served delicious refreshments.

STROLL AND DANCE PARTY

Naming as honor guests Misses Mary Ann Beck of Marlin and Bess Mangum of Waco, Miss Patsie McGregor entertained Wednesday evening with a twilight stroll and dance at the home of her mother, Mrs. Gussie McGregor.

Carrying out an attractive July 4 patriotic suggestion in the decorations, the reception rooms were very inviting for the younger society set.

Fruit punch was served throughout the dances and strolls.

BIRTHDAY PARTY

Mrs. Sam Deer recently entertained in honor of the fourteenth birthday of her daughter, Miss Edna Merle Deer, from seven to ten o'clock p. m.

A pink and green color scheme was used in the decorations throughout the home, featuring pink carnations and fern.

There were about fifty boys and girls present and as each guest arrived were presented with a small book and asked to inscribe a wish therein. Many clever wishes were penned.

Piano music was furnished by Miss Slaughter and Petru of Rogers. Games, dance numbers and progressive strolls were enjoyed until a late hour when the large four tier white birthday cake, bearing the name of the honoree, embossed in pink, and fourteen burning candles was cut and served with punch in pink and green glasses. Plate favors were pink crepe baskets filled with pink and green mints.

Mrs. Deer was ably assisted in the hospitalities by her mother, Mrs. G. D. Hooker of Rogers.

Out of town guests included Mrs. Petru and daughters of Rogers, Mrs. Grady Scott and son, Grady Allen Scott of Houston and Miss Louise Easley of Rosebud. The honor guest was recipient of many beautiful and useful gifts.

WADE-NICHOLSON

Many friends will be interested in hearing of the marriage of Miss Mable Wade to Bert Nicholson which took place Saturday afternoon, June 20 at four o'clock at the home of her sister, Mrs. George E. N. D. TIMMERMAN WILL BE SPEAKER AT ANNUAL ENCAMPMENT

The Milam County Baptist Encampment will hold its fourth session at Wayside Tourist Camp at the Little River bridge beginning Sunday night July 26 and running to Friday night, July 31.

Every indication points to a larger and better Encampment this year than any former year. More people are expected from over this county and delegations from several other counties are to be with us for the week. It is expected that at least 200 campers will be on the grounds and hundreds will attend the classes offered in the morning hours.

The speakers for the Encampment will be Rev. L. E. Strickland for the morning and Rev. N. D. Timmerman in the evening. Both these are pastors in the county and large crowds are expected for both services.

Mr. T. C. Gardner who is known as "Big Chief" will be with the First Church, Cameron in the morning of July 26 and speak and also speak at the Encampment that night. He is the best B. Y. P. U. secretary in the world and probably has more friends among both young and old than any man in his capacity.

The program for the day will be about as in former years. There will be class periods from about 8:15 a. m. to 11:00 a. m., then the morning worship service led by Rev. Strickland. In the afternoons there will be possibly swimming, games, quiet hours and the evening service at 7:45 at which time Rev. Timmerman will bring the message. Spectacular Fire Works Display Is Scheduled For 4th

People do not have the opportunity of seeing such a display as this and it is hoped that we have a mammoth crowd on hand to enjoy this event.

CHAPLIN IN "CITY LIGHTS" AT MILAM THEATRE JULY 2, 3 & 4

Acclaimed his greatest contribution to the screen, Charlie Chaplin's "City Lights" will open an engagement at the Milam Theatre, Thursday, Friday and Saturday, bringing to this city a non-dialogue motion picture production, which it is believed, will be the forerunner of many more screen offerings introducing action, synchronized with music and sound effects.

More than two years in time have been devoted by Chaplin to the making of "City Lights" and it represents an investment of $1,500,000 of the comedian's own money. All of this is Chaplin's answer to the talking picture and his firm stand for pantomimic motion pictures.

Those who have been privileged to view "City Lights" have unhesitatingly agreed that Chaplin was not in error to stick to the silent course in his screen work. It is said that never before has the great comedian extended himself to produce such a comedy masterpiece.

"City Lights" will occupy the screen for about one hour and twenty minutes. The story may be termed a romantic comedy, although many of its highlights are brilliantly dramatic, in fact tragic. It is an original idea and was written by Chaplin. He is likewise responsible for the direction.

The action takes place in any large city. There is nothing elaborate about the story and it is its simplicity that will undoubtedly gain for it a permanent place in the theatre. The characters are natural, such as rub elbows with each other throughout the daily walks of life.

There are only three players vital to the story. There is not the eternal triangle and that which happens has to do with a tramp, a flower girl who is blind, and a millionaire, who has his eccentricities. Incidental to these there are three others. The girl's grandmother, the millionaire's butler and a prizefighter. While the others make up the city, just like any city with its milling throngs.

A nw face comes to the screen in "City Lights." Virginia Cherrill, as the girl. This is Miss Cherrill's ini-

MISS MARGARET McDERMOTT BRIDE OF R. E. BIGGS IN BEAUTIFUL CHURCH WEDDING, MONDAY, JUNE 29TH

The marriage of Miss Margaret McDermott, daughter of Mr. and Mrs. Giles McDermott, to R. E. Biggs, on Monday morning, June 29 at ten o'clock at the First Presbyterian church with Rev. O. C. Acrey, pastor, reading the beautiful ring ceremony, was an event that claimed the attention of a large circle of friends of the contracting party.

The church was in pretty floral adornment. The altar space was banked with ferns in jardiniers and two tall pedestal baskets, handles tulle tied in pink, held long stemmed pink and white carnations and fern fronds stood at either side. Pews for relatives and close friends were marked with pink bows of maline with Shasta daisies.

Mrs. Henry Sapp, dressed in pink skirt with eggshell blouse, large picture hat in blue, with pink rose corsage, presided at the organ and played the prelude, Andantino in D Flat, by Lemare. Mrs. Thad Epperson, attractively gowned in a white sport suit, white panama hat, pink rose corsage, sang 'The Sweetest Story Ever Told."

Lohengren's Wedding March was used for the processional and announced the bridal party. Miss Bennie Jackson, bridesmaid, dressed in pink flat crepe with large picture hat, pink slippers, carrying an arm bouquet of pink carnations came in with James Easterling, and took their places at either side of the altar. Next came the Maid of Honor, Miss Elizabeth McDermott, sister of the bride, beautifully dressed in a pretty shade of gray, wearing a large picture hat of pink, pink gloves and slippers, carried an arm bouquet of pink carnations, came in alone.

The bride came in on the arm of her father who gave her in marriage, was stylishly gownd in a delicate tone of blue Elizabeth crepe with natural shade of laces, wore a large picture hat in pink with pink slippers, crystal and pink beads, carried an arm bouquet of pink roses, ferns and showered with tiny rose buds and ribbon loops. They were met at the altar by the bridegroom and best man, Morgan Biggs who came in from the side of the altar, while the pastor came in from opposite side, and spoke the words that bound two hearts as one.

During the ceremony Mrs. Sapp played, soft and low, Schubert's "Serenade." The happy couple left the church to the strains of Mendelssohn's Wedding March and repared to the home of the bride's parents where she exchanged her wedding dress for a navy blue crepe dress, and wore a close fitting hat of navy, carried white gloves and white purse.

Mr. and Mrs. Biggs left immediately for a short trip to San Antonio and other interesting points, and will be at home at Liberty, Texas, after the fourth of July. The groom and his attendants wore white palm beach suits.

The bride was reared in and near Cameron; graduated from Cameron high school in 1922, entering San Marcos that fall where she received her B. S. Degree, and later attended school at Columbia University, and while there visited Washington, D. C., Philadelphia, Niagara Falls and many other cities of the East. The past four years she has taught school at Liberty, Texas.

The groom is a graduate of Baylor University, and also received his law degree from Baylor Univrsity and is now Judge of Liberty County. Is of an old established family.

Out of town guests present at the wedding were Mrs. Ben Jackson and daughter, Miss Bennie Jackson of San Marcos, who had been a roommate of the bride during the four years spent at San Marcos; Mrs. W. E. Phillips, McDade; Mr. and Mrs. Morgan Biggs, Wallaceville, Texas; Jas. Easterling, San Antonio; Mrs. G. B. Jerdon, Jim Frank Richardson, Mr. and Mrs. John Brady, Mrs. P. C. Matthews, Mr. and Mrs. R. G. Portlaw and family, all of Liberty.

FIREMEN TAKE TEN INNING GAME HERE

RECORD CROWD FOR SEASON SEES BELLFALLS DEFEATED HERE SUNDAY

On Sunday afternoon at the Lawless Green Field the Cameron Firemen defeated the strong aggregation from Belfalls four to three in the tenth inning before the largest crowd of the season. Both grand stands were packed and every available space was taken up.

Belfalls started "Rabbit" Darrow, erstwhile Texas league pitcher but he was replaced in the tenth by Ingram who pitched to only two Firemen when an error cost the visitors the game.

Belfalls scored the first run of the game in the second inning. The Firemen came back in their half of the third inning to score two runs on two hits and an error. Belfalls then scored two runs on three hits and an error in the fifth. The Firemen tied the score in their fifth time at bat and from there until the tenth no further scoring was made by either team. Pete Leach was pitted against Darrow in the box. Each pitcher allowed nine hits. Three two-baggers were made by each team and the Firmen also got two three-baggers. The visitors were unable to get a man across the plate after the fifth inning. When Ingram relieved Darrow in the tenth Keith was the first man up. Keith singled. Pepper Young was hit by a pitched ball. On the second ball pitched to McDonald Keith and Young put on a double steal. Catcher Farrow threw to third attempting to cut keith off. The ball struck the ground before reaching third and bounded into left field and Keith romped home with the winning run.

This is the second game won by the Firemen in the last half of the Temple cup race.

Firemen Win From Ben Arnold Nine

At Ben Arnold Saturday afternoon the Cameron Firemen won the opening game against the Ben Arnold team 7 to 0. The Firemen made only one more hit than Ben Arnold but their hits were turned into runs at opportune times.

Only one error was chalked up against the Firemen in this game and this lone error being chalked against Sumrall on a wild pitch in the seventh allowing M. Vogelsang to take an extra base. Sumrall pitched one of the best games seen this year in defeating Ben Arnold on Saturday. He struck out six and walked none during the nine innings he was on the hill. Garrett struck out five Firemen and walked one. Errors on the part of his team mates aided the Firemen in their scoring.

....JUST ONCE OR TWICE In A Lifetime

Just once or twice in a lifetime the average family builds a home . . . the house is usually built when it is needed regardless of building conditions and prices.

Just once or twice in a lifetime building prices hit the bottom . . . if the average family would build their home when prices are low millions of American dollars would be saved.

THAT SITUATION EXISTS THIS YEAR . . . building costs are the lowest in *fifteen years* . . . more than $1000 can be saved on a $6000 home by building this year.

Wise investors are going to make this year pay a handsome profit in building investments . . . let us tell you how.

Charlie Chaplin

(continued from page 1)

tial bow in motion pictures and advance reports indicate that she is due to win favor. She entered the film world from a social life and despite the difficult portravel entrusted to her, it is believed she has acquitted herself with much credit. The young woman is a natural blonde with blue eyes.

Harry Myers, who by no means is new to the screen, plays the part of the eccentric millionaire. For many years Myers has been a leading player and star in his own right and as the chief foil to Chaplin he is declared to be at his best. Picture followers will remember Myers for his excellent work in "The Connecticut Yankee."

Florence Lee, as the grandmother, Allan Garcia in the role of the butler and Hank Mann portraying the prize fighter make up the balance of the cast. Garcia is well known to Chaplin followers for it was he who was the "cruel" ringmaster in "The Circus.',

Chaplin plays the tramp. He has slightly altered his characterization in "City Lights" although he is attired in his world famous baggy trousers, abbreviated tail coat and battered derby and a foundation of the gunboat shoes.

Ten thousand or more women, men and children make up the background of the city. The city in which the story unfolds was entirely built within the enclosures of the massive Chaplin plant in Hollywood. Every available foot of ground was utilized and hundreds of technicians of all the crafts employed for the purpose of realism.

One of the most important items of the production was the building of a river, with its embankment and the city in the distance. The body of water covered an area of five acres and was completed at a cost of $15,000. This is small in comparison, however, when it is stated that the construction of two streets in a down town business section called for an expenditure of close to $100,000.

With the presentation of "City Lights" Chaplin makes his debut as a musician. The entire musical synchronization of the production, with only few exceptions, is from music composed by the comedian. Many months were devoted to this phase by the producer, who is, although not generally known, an accomplished pianist, organist, violinist, cellist and harpist.

Due to the care with which the music was arranged for "City Lights" despite the fact that there is not once the use of a human voice, instrumendeception. In the arrangement of the tal effects are used with considerable musical accompaniment Arthur Johnson, of the Irving Berlin Company, was associated with Chaplin.

During the making of "City Lights" 800,'000 feet of film passed through three cameras. The finished production is a little more than one per cent, as it is distributed by the United Artists Corporation.

MY LIFE

(Ollie Ezzell)
Buckholts, Texas

1

My life has been a lot of sorrow and pain
I have sought for happiness but t'was all in vain,
No one knows the many unhappy hours I've spent by myself,
I have been like a lonely plaything on a shelf.

2

I am never happy and gay,
But perhaps I was not meant to be that way.
I have often wondered why things were as they are for me,
For my life has been like a ship, wrecked out in a stormy sea.

3

My skys are always cloudy,
The sun never shines
Stars never twinkle howdy,
Nor the bell never chimes.

4

But my life will not always be this way,
For some day my journey shall end,
And then as I stand and look back over the rough road I have trod,
I will be very happy then, to spend the rest of my days with God.

IN MEMORIUM

Dear readers I wonder as you read these words in memory of my dearest friend if there is one of you, who hath known such friendship as was ours and now that she has gone on, I feel that in telling to others incidents related here, am merely trying to pass on the information of just what such a friendship means to us all. And I wonder if among the great host of friends she had if there is another who knew her as I did. True and faithful to the last, always thinking of others and showering that greatest of gifts, love, sympathy and understanding to each and every one she knew. (See John 13: 34-35.)

Speaking a kind word and shedding a ray of sunshine wherever she went. Although I feel that something hath gone out of my life that can never be replaced. I thank God, our blessed redeemer for having known such a sweet and wonderful character and the memory of such a Christian love and friendship shall always be held as one of the most sacred in my life. While so many knew her sweet disposition I wonder how many know what a true Christian she really was at heart. I will never hear the gospel preached that I won't think of her and many hours we spent together discussing the words of our Lord and Savior Jesus Christ. We sought no greater pleasure and how time would fly in those hours. I remember a little incident she told me of, two or three years ago, during the Baptist Encampment there in Cameron. Dr. Head, I believe was speaking that night. He spoke of a lifelong friend and the many happy hours they spent together even after a hard and strenuous day they would sit until the far hour of night and the pleasure they derived discussing their daily problems and sharing of their joys and difficulties. Rejoicing over the holy word of God and she said "Pearl, I thought of you and wondered just how many in that congregation that night understood so well as I just what he meant. She said how happy it made me feel to know I had just such a friend here on earth, one in whom I had such faith and confidence.

Who next to our Lord and Savior whom I believe we should take everything to in prayer. I tell you the things nearest my heart for I know you understand. Her remarkable faith in prayer was a wonderful inspiration. At times when my own heart was laden with sorrow she would bid me not to forget to pray and she would say I shall continue to pray for you. I know she was a Christian at heart many years before she joined with the Baptist church. She would often say, "Pearl I meet so many good Christians of the different congregations I can hardly make up my mind which one I had rather be a member of." Unlike othres who look for the bad in everything she always found the good and though she has gone on, she will continue to live in the memory of friends and loved ones. When the Lord sees fit to call us we know she will be waiting with that sweet smile of welcome she always had in this life and may the great circle be unbroken over there.

Oh why should we grieve when those we love
Have merely gone on to that home above,
When surely we know there with the blest
They have found eternal rest.

And twill only be a little time
We shall share that joy sublime,
Weep not the Lord commands
Although we may not understand.

Yes He went on to prepare a place
That we might reach by redeeming grace,
So why should we weep or sigh
We can see her by and by.

When our work on earth is done
And life's battle we have won,
Gathered on that beautiful shore
We shall meet to part no more.

Dedicated to the memory of Leona Cotheran. Story by Viola Pearl Adams.

Bryan Sokols Nose Out Knights of Columbus 6 to 5

In a game at Bryan the Knights jumped on Nemec, the Bryan starting pitcher for three runs before he was relieved by Boriski, who did well. Schigut of the Knights pitched a wonderful game and also got three hits. It was a heart breaker for Schigut to lose, for the Knights outplayed and outhit the Bryan team through the whole game except for one bad inning the Knights let errors get the best of them. Lud Matula, Schattle and Parma played outstanding games in the field for the Knights.

The game was attended by a large crowd and it was a very interesting game especially for Bryan to watch their boys put up such a fight to come from behind and win the game.

Western Union To Sell American Express Money Orders Here

To meet the demand of Cameron residents for a money order to be mailed or sent by methods other than the telegraph, local Western Union Offices will begin sale Wednesday of Amrican Express Money Orders, it was announced today by Miss Margaret Walden, local relief manager of the Telegraph Company.

Western Union main and branch offices in all parts of the United States will inaugurate the service at the same time. Offics of the American Express Company will act as branches of Western Union in the sale of telegrams, cablegrams and telegraphic money orders.

By agreement with the American Express Company, 500 Western Union offices in and near New York City, Boston and Philadelphia began a trial of the sale of American Express Money Orders last December 15. Immediate success of this trial indicated a general demand for an economical money order which can be obtained at conveniently located offices, and accordingly, the general extension of the plan was arranged.

This service will in no way conflict with the Western Union telegraphic money and gift order servic which annually transfers $275,000,000 in small amounts, and comprises about 93 per cent of the nations telegraphic money orders.

SUNNY SIDE

The Firemen have gotten off to a perfect start in the second half of the Tmple Telegram race having defeated Ben Arnold Saturday seven to nothing; then defeating BelFalls four to three on Sunday. These two teams are about the toughest we are called on to play.

George Sumrall pitched an excellent game at Ben Arnold when he shut them out. Poor base running and errors contributed largely to the Ben Arnold defeat however.

On Sunday Pete Leach was on the mound for the Firemen against BelFals and his work was of the highest order. He struck out five opponents and walked none.

Both teams obtained nine hits on Sunday. Eight of the Firemen hits were made off of Darrow and one off of Ingram. This hit by Keith proved to be the winning run of the game when Keith and Young pulled a double steal and catcher Farrow threw the ball past the third baseman the ball rolling into left field and Keith scored.

The schedule for the Firemen is as follows:

Saturday, July 4, Joe Lee at Cameron.

Sunday, July 5, Ben Arnold at Cameron.

Saturday, July 11, Cameron at Temple vs. Cowboys.

Sunday, July 12, Cameron at BelFals.

Saturday, July 18, Cameron at Joe Lee.

Sunday, July 19, Temple Cowboys at Cameron.

After these have been played the winner will play the winner of the Western section for the Temple Telegram championship.

Several changes had to be made in the Firemen schedule as we had booked games with Rogers and Hilltop Bakry teams before the Temple Telegram schedule was made. Those having scheduled games with the Firemen insisted on their schedules being carried out and this compelled the Firemen to change their schedule accordingly.

In Sundays game the Belfals infield pulled three double plays on the Firemen. During the game the visitors obtained three two base hits while the Firemen got three two base hits and two three baggers.

Keith put over three of the four scores made by the Firemen and obtained four hits in five times up.

Ingram was credited with the defeat Sunday as Darrow left the game on even terms.

Of the nine hits made by the Firemen Sunday Keith got four, McDonald and Jenness two each and Pepper Young one.

METHODIST CHURCH

Next Sunday at 11 o'clock we shall have a sacramental service at the Methodist church; a short sermon on "Jesus the Wonderful" will be followed by the administration of the Lord's Supper. We are expecting the male quartette of our church to sing a song that to our way of thinking is one of the best they can sing. No evening service because of the special services at the Baptist church to which service next Sunday evening I am inviting all my members and friends who would ordinarily attend the Methodist church. I have heard Brother Timmerman during the past week and wish to commend his earnestness and clearness. I sincerely believe that all who will go to hear him will be profited. Our Sunday school begins at 9:45 a. m. and the young people's meeting at 7 p. m.

Hollywood Girls Tie Firemen In Game Here Sunday

After the scheduled game with Belfalls was played Sunday afternoon the Cameron Firemen played the Hollywood Girls a seven inning game which wound up in a tie each team having scored eight runs.

The largest crowd of the season was on hand to see the girls perform and they did their part well. Of course no one expected the girls to win their game and it was a more or less of a farce from first to last.

Mesdames Roger Neblett, William A. Gilbert, Ella Hooks and Miss Ruth Kemp visited in Houston the first of the week.

Dr. James A. Ferguson visited in Houston Sunday and Monday, attending to business interests.

Have You Been Waiting For LOWER Prices?

If you have, you are ready now because the lower prices are here.

If you've been neglecting to make needed repairs or have put off your building program, whether a home or a business structure, because you have felt the expense too great—now is your chance to get the finest materials and labor at new LOW PRICES.

The Home you build now can be an investment that will bring big returns in the future. Never before have prices been so low for such high quality materials. And everything you buy here is sold with our guarantee. Dependable, Durable and Authorized by Building Experts.

Low Prices Will Benefit Prospective Builders

The low prices now prevalent in the building industry have reached a definite position of stability, from which authorities do not expect any wavering within the present year. As a result, exceptional opportunities are presented to those desirous of building homes or office structures.

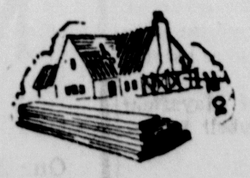

To cite the conditions favorable to building, it has been recorded that building costs are more than 4 per cent lower than they were a year ago, and 27 per cent lower than the highest point reached in 1920. This is directly attributed to the fact that all building materials, such as lumber, millwork, plaster, steel and lath have been subjected to large price cuts.

Unemployment, too, has had its effect upon business in general, and the fact that independent laborers are willing to work for proportionately small wages, has resulted in another decrease in building costs.

Despite the fact that these low prices are expected to continue during 1931, there will, in time, be an upward trend. It therefore seems wise, from an investment point of view, for anyone interested in construction to take advantage of the present situation, buying the finest supplies, and securing expert labor, at the lowest prices within the decade.

MISS CAROL EASLEY BECOMES BRIDE OF ROBERT STEDMAN IN WEDDING AT ROSEBUD, TUESDAY, JUNE 30

A wedding of much interest to many friends in Cameron was solemnized Tuesday evening, June 30 at 8 o'clock at the First Methodist church, Rosebud, when Robert Stedman claimed Miss Carol Easley as his bride, Rev. J. L. Weatherby, pastor, reading the impressive ring ceremony.

The church was in beautiful floral adornment for the occasion. Handsome fern banked the altar and smilax twined the front railing with Shasta daisies intermingling with the foliage. Tall pedestal and floor baskets stood at altar front, filled with the chosen flowers. A seven branch candilabra stood at the back, and smaller tapers gleamed among the decorations. The piano top was laid with pink crepe myrtle with burning candles at either end.

Miss Louise Buggins presided at the piano and Mrs. Vernon Nicholson sang "At Dawning" by Cadman. Lohengren's Wedding March pealed forth as the wedding attendants came in. Miss Mary Easley, sister of the bride as Maid of Honor was beautifully dressed in orchid organdie with green sash; carried an arm bouquet of pink rosebuds, took her place at side of altar. The ushers, Messrs Leland Stedman, Clifford Barmore of Cameron and Sam Wagick and Gilbert Easley of Rosbud, formed a group at the altar.

Next came the beautiful bride, who was given in marriage by her father, was attractively gowned in cream lace with wide blue ribbon sash, and carried a shower bouquet of pink rose buds, and was met at the altar by the bridegroom and best man, Clarence Posey, where the happy couple plighted their vows, kneeling on a white altar cushion to receive the blessings of the minister. They left the church to the strains of Mendelssohn's Wedding March and repared to the home of the bride's parents where the immediate party was tendered a reception.

The bride is the daughter of Mr. and Mrs. Easley of Rosebud, is popular with a large circle of friends.

The groom is the son of Mrs. R. W. Stedman of Cameron, was reared here and is a young man of fine business ability, and is a member of the firm of Avera & Stedman Drug Store. After a short wedding trip they will be at home to their many friends in the Kirby Boles apartment in North Cameron.
